## Curated Stone

Mont Blanc, a laminate stone, takes its inspiration from a stunning natural slab discovered in the majestic mountains of Brazil. This exquisite stone features a creamy white base colour that exudes elegance and sophistication. Delicately intertwined with streaks of gray, Mont Blanc's design perfectly captures the raw beauty and unique characteristics of its natural counterpart.

Design by Arborite P1009

## Serene Oak

Designed by Arborite W495

Serene oak possesses a creamy and soft visual that creates a sense of tranquility and elegance. The versatility of serene oak allows it to harmonize with various interior styles. Whether incorporated into a modern, minimalist design or a classic, traditional setting, serene oak effortlessly blends in and enhances the overall ambience.

Serene oak is a sustainable and environmentally-friendly option. The preservation of natural resources. By choosing serene oak, designers can contribute to the conservation of forests while enjoying the beauty and benefits of this exquisite wood laminate.

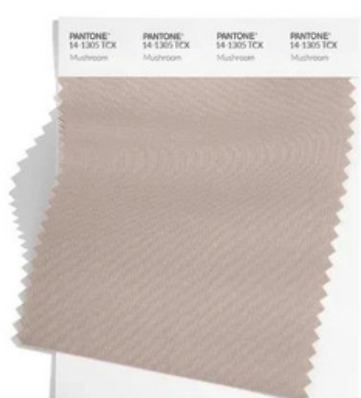

Chambray, name for a distinctive weave of linen that produces a mottled appearance. Designed by Arborite P402
